APPLICATION FOR MEMBERSHIP

NZAMD reserves the right to accept or decline membership.
Registered Teaching membership gives the right to purchase and teach NZAMD choreography and syllabi, and to enter students for NZAMD examinations. Registration is valid for two years, and registered teachers must submit entries during that period to retain their registration.
Membership Subscriptions are due annually, and only financial members may submit examination entries. There must be an awareness that when teaching in a studio NOT aligned to NZAMD, then NZAMD syllabi & choreography may not be used.
All syllabus notes and choreography, branding, and printed material are copyright to NZAMD, and may not be used by non registered persons.
